SHARPEN YOUR WISDOM WITH NSBM LAW

NSBM GREEN UNIVERSITY YOUR PATHWAY TOWARDS A PROMISING FUTURE!

NSBM Green University offers a range of Law degree programmes under the Department of Legal Studies, with the approval of the University Grants Commission (UGC) and Ministry of Education, and in affiliation with University of Plymouth, UK. These degrees are specially designed to create academically and professionally developed legal personnel who would thrive in the national and global market, catering to emerging challenges.

DEPARTMENT OF LEGAL STUDIES AT NSBM GREEN UNIVERSITY

DEPARTMENT OF
**LEGAL
STUDIES**

The Department of Legal Studies attached to NSBM's Faculty of Business strives for excellence to become an internationally renowned centre for professional and socially relevant legal education and research in the global higher education landscape. The department takes

a holistic approach towards providing a strong and expert guide in theoretical, research and practical aspects of law while exploring current legal issues. With an academically and professionally qualified full-time academic panel of attorneys-at-law, the Department

of Legal Studies at NSBM trains students to debate and explore the legal arena with a broader perspective and pursue various law-related career opportunities of which the range and scope keep expanding constantly.

MESSAGE FROM THE HEAD OF DEPARTMENT OF LEGAL STUDIES

PROF SHANTHI SEGARAJASINGHAM

Head of Department of Legal Studies
LL.B (Hons), M.Phil, Ph.D
ASTHE
Attorney-at-Law

I am delighted to give this message on behalf of the Department of Legal Studies attached to the Faculty of Business at the NSBM.

Our department has been functioning within the Faculty of Business since 2021 offering a unique and comprehensive educational experience. In

today's globalized world, understanding the legal intricacies of the globalized landscape is paramount to success. Here at NSBM, we are dedicated to equipping our students with the knowledge and skills needed to navigate this complex terrain with confidence and competence.

Our dynamic and forward-thinking academic staff bring a wealth of practical experience and academic expertise to the classroom. They are committed to fostering critical thinking, communication, ethical reasoning, and problem-solving skills that are essential in the legal and business fields.

We offer a diverse range of programs, including pure undergraduate law programmes and inter-disciplinary degree programmes, tailored to meet the evolving demands of the legal profession and the business

world. Our curriculum is designed to provide a solid foundation in both legal principles and business practices, ensuring our graduates are well-prepared for the challenges and opportunities of the modern workplace, not just nationally but internationally.

As part of our commitment to experiential learning, we provide numerous opportunities for internships, moot court competitions, research projects, and engagement with industry leaders. These experiences not only enhance our students' academic journeys but also prepare them for successful careers in law, business, and beyond.

I encourage you to explore our website further to learn more about our Department, Faculty, programs, research initiatives, and the remarkable activities of our students.

A candidate who intends to achieve a LLB (Hons) degree needs to fulfil the credit requirement of 120 credits in the four-year undergraduate period as per the standards of SLQF. LLB (Hons) programme introduced by NSBM covers 122 credits within the course period. The programme does not offer electives and all modules are compulsory core modules. In 1st and 2nd year of the programme there are 16 taught modules. During 3rd year students are expected to participate for industry placements and conduct a legal advocacy clinic under the guidance of internal senior staff members and senior legal practitioners in addition to the six taught courses. In the 4th year of the programme students will be expected to carry out a 6 credit Capstone Research Project in addition to the six taught courses.

GRADUATE ATTRIBUTES OF LL.B (HONS) PROGRAMME

1. DISCIPLINE-SPECIFIC CAPABILITIES

Graduates will possess a comprehensive understanding of the fundamental principles, doctrines, and concepts of law and will exhibit an appropriate level of skill and knowledge in the practice and study of law.

2. COMMUNICATION

Graduates will be proficient in legal writing, oral advocacy, and the ability to communicate complex legal concepts effectively to diverse audiences, both in writing and verbally. This includes contracts, briefs, and legal opinions, with precision and attention to detail and skills necessary for effective legal advocacy, whether in a courtroom, negotiation, or alternative dispute resolution settings.

3. RESEARCH

Graduates will exhibit professional and highly advanced research competencies in both practical and academic settings.

4. CRITICAL THINKING

Graduates will develop strong critical thinking skills, enabling them to assess complex legal issues, evaluate arguments, and propose well-reasoned solutions.

5. GLOBAL AWARENESS

Graduates will develop knowledge and approaches to learning which incorporate global considerations and concerns. This includes familiarization with the use of technology in the legal field, including legal software, e-discovery tools, and online legal research platforms that are practised globally.

6. TEAMWORK

Graduates will exhibit strong interpersonal traits and the capacity to work effectively and collaboratively with others.

7. ETHICAL AND PROFESSIONAL RESPONSIBILITY:

Graduates will understand the importance of ethical conduct in the legal profession and will be prepared to uphold the highest ethical and professional standards in their legal practice.

8. PROBLEM SOLVING:

Graduates will be skilled at identifying legal issues, analyzing problems, and devising innovative solutions within a legal context.

9. TEAMWORK AND COLLABORATION:

Graduates will have experience working collaboratively with peers, legal professionals, and clients to address legal challenges and achieve common goals.

10. CONTINUOUS LEARNING:

Graduates will recognize the importance of lifelong learning in the legal profession and will be committed to staying current with legal developments and evolving practices
